

Want to study and make an impact!?

Become a student assistant at the Gender & Diversity Service.

We are offering 3 student assistant positions
20 hours/month | E 4 TV-L | starting in March 2026 (fixed-term until September 2026)

The role we have in mind for you

- Support (international) students with questions regarding to gender and diversity
- Assisting with events, workshops, and a lecture series
- Research and preparatory work (e.g. on the awareness concept)
- Creating straightforward materials, such as flyers and presentations
- Collaborating with dedicated students and university groups

What makes you a great fit

- Interest in topics such as diversity, equality, and anti-discrimination
- Proficiency in English or German
- Enthusiasm for teamwork, communication, and learning from each other
- We'll teach you everything else!

Why you'll love working with us

- Flexible working hours that are easily compatible with your studies
- A team that is appreciative, open and curious
- Insight into university development and project work
- The opportunity to contribute purposefully and create impact
- Work within the framework of the 2030 Female Professors Programme

How to apply

Please send a **short CV and a motivation letter** (maximum one page each) in English or German to Dorit Machell (dorit.machell@fh-erfurt.de) **by February 5, 2026.**

Got any **questions in advance**? We'd love to hear from you!

We particularly encourage students who are underrepresented at the University of Applied Sciences Erfurt, or who have experienced discrimination, to apply. This includes FLINTA* individuals, people of colour, international students, and students with disabilities or chronic illnesses. Additionally, we are striving to create an interdisciplinary team comprising individuals from various locations and disciplines within the University of Applied Sciences Erfurt. Students from STEM programmes and the fields of horticulture and forestry are particularly welcome to apply.
