What is Katalog+?

Katalog+ is the discovery system of the university library of the University of Applied Sciences Erfurt.

Using Katalog+ you can search through data from multiple sources at the same time:

- Common Union Catalogue (GVK) of the Common Library Network (GBV) and the Library Network Southwest Germany (SWB)
- Union Catalogue of Public Libraries (ÖVK)

The **simple search screen** opens automatically.

All search fields, for example author, title, etc., are included in the search.
